

# Eileen Lavery

Known for delivering heart-rendering ballads and her comfortable repartee, Eileen Lavery has performed across Canada and Ireland entertaining all ages with her upbeat messages, strong vocals, and heartfelt lyrics. She has toured with legendary artists John McDermott, Mary Black, and Kenny Rogers.

Her track record also includes a Prairie Music Award, several songwriting accolades, and numerous radio and television appearances. CBC Producer Shauna Powers wrote that "Lavery's charismatic attitude combined with her soulful sound has her ranked among the elite of Canadian Folk singers."

To date, Eileen has released two independent CDs which continue to draw praise at home and abroad. Her music is featured in film and television programs, and appears on several compilation CDs celebrating Canadian Folk Music.

"Lavery's songwriting shows a great deal of depth, and she has a fine sense of melody... It's her pure, rich voice that is her calling card." Dirty Linen Magazine (USA).
